- (1) Subject's home
- (2) At the placement
- (3) Someone else's home
- (4) Telephone interview
- (5) Study office
- (6) Public place (library, restaurant, etc.)

This is a four-digit code associated with each facility created by Coordinating Center staff. It should be noted that attempts were made to ensure that unique codes represent distinct facilities, however, it is possible that, due to the subject's limited knowledge, we have inadvertently coded the same facility with multiple codes if various subjects provided distinct names for the same facility.

Institution type

- (7) Group home/supervised living in community
- (8) Residential treatment center (centralized staff, institutional setting)
- (9) Medical hospital
- (10) Psychiatric hospital
- (11) Shelter/emergency shelter
